Todd Becker Foundation Comes To O'Neill High School!

Wow! Wow! Wow!

What a great day we had at the O'Neill High School on February 19th.

The Todd Becker Foundation came to town to host an afternoon assembly and lead an evening outreach. Even though the enemy was hard at work looking to disrupt things, the Lord, as always, proved himself faithful. His faithfulness was evident in several major ways. First, a pep-rally for wrestlers going to the state tournament was scheduled for immediately after the afternoon assembly – this would have disrupted one-on-one conversations with students – but it was moved to a different gym and different time so that it didn't create conflict. Also, after receiving 7 inches of snow the night before we feared people would not come to the evening event...but God moved, and the gym was almost full that evening. Yet, even with those two big prayers answered God had more in store. At the end of the event the speaker, Keith Becker, gave a challenge for those who felt prompted to come to the gym floor to get on their hands and knees before a loving heavenly Father. After a few minutes there was no floor space left!!!!!! Approximately 100 students came forward to get on their hands and knees before God. Some gave their life to Jesus for the very first time, some wanted to rededicate themselves, others had sin in their life they wanted to deal with. All in all, God moved in the lives of a lot of kids. Thank you for your faithful prayers to lift up this evening before our Faithful Father. The enemy will continue to prowl seeking to devour, so please continue to pray for all those kids that they get connected (if they aren't already), and that they continue to grow in their faith and knowledge of Jesus Christ.

Movie Night at Faith Community

Life changes overnight for coach John Harrison when his high school basketball team's state championship dreams are crushed under the weight of unexpected news. When the largest manufacturing plant in town suddenly shuts down and hundreds of families begin moving away, John must come to grips with the challenges facing his family and his team. Urged by the school's principal to fill-in and coach a sport he doesn't know or like, John is frustrated... until he crosses paths with a student struggling with her own journey.

Filled with a powerful mix of faith, a twist of humor, and a ton of heart, the Kendrick Brothers have put together this movie OVERCOMER, their newest feature, following FACING THE GIANTS, FIREPROOF, COURAGEOUS, and the #1 box-office hit, WAR ROOM. OVERCOMER dares to leave you filled with hope, inspired to dream, and asks the question: what do you allow to define you? The movie will be shown here at **FCC March 21 (Saturday night) starting at 7:30 p.m.** This is a great opportunity to invite your friends, neighbors and co-workers!

Please remember our missionaries in prayer.

Bruce & Toni Hebel – Regenerating Life, Forgiving Forward. God did much through Forgiving Forward to bring freedom to so many. It has been shared over 55 times across 14 cities as well as in 3 countries. The year 2020 is full of possibilities to expand Forgiving Forward in multiple ways including the production of Forgiving Forward Prison Edition. Please pray for these possibilities to be turned into realities.

Burt & Amanda Newman – Chadron State College Cru, Chadron, NE. Twenty-six students went to the Cru Winter Conference. Many were challenged to take their faith seriously and felt challenged at the end of conference to share their faith with friends, that the Good News is indeed good news! Pray that the students will continue to grow in their faith. Please pray for Burt as he continues to work with the Ridgeview Bible Church in the Job Corps ministry, youth group, and men's Bible study; and also as he coaches Hay Springs track & field this year. Please pray for the 2020 Reach Missions Conference that will be held at Ridgeview Bible Church March 21-22. The purpose of the conference is to promote global missions, show local churches what God is doing around the world, and help them get involved. The conference is free and open to all, and you are welcome to join them. Please pray for the Reach 2020 Conference that the world may know what Christ has done for them.

Kars, Missy, Benji, & Jozie Kroneman – JAARS, Indonesia. They count it a privilege to live and serve in Indonesia. It isn't always easy or glamorous, but God has confirmed that it is where He wants them to be, and they love it! Please pray, if it is God's will, that Kars & two other pilots will be able to take and pass without complications the written & flight tests to obtain local pilot licenses. They do have US pilot licenses & have been able to validate those, but having the local licenses will be beneficial for the organization in many ways. The boys have been back at school after a good, but short Christmas break. Please pray that they both have a great semester of school. Pray for their character growth, especially for perseverance right now, even when they don't want to be at school. Pray also for good relationships with their classmates and teachers.

In AWANA we have been fighting the cold weather and illness amongst our students and our leaders. Yet God always provides just the right people every week.

On Feb 12, we celebrated Stuffed Buddy night. Kids could bring their favorite stuffed animal

to share with the class. We saw everything from tiny frogs to Olaf, to caterpillars and pandas as large as the children! What a fun way for us to see a glimpse into students' lives and help build relationships.

These last few weeks, I have been able to hear some of our kids pray. What sweet, innocent prayers full of love and trust. They aren't afraid to ask God for anything- safety, friends to feel better, sick puppies, and even dead iPads! I think there may be a lesson in there for us all!

Looking ahead, there will be no AWANA on March 4 due to Spring Break.

Thank you for all of your prayers for us. We really don't have very many Wednesdays left. Please pray God's word would continue to impact these kids every week. ~~~Thanks!~~~~
