I hope everyone enjoyed the Holiday season and that you were all able to take a few moments to reflect on the Light coming into this dark world. December was a short month for AWANA with us only meeting twice due to the weather. One of the favorite nights of the whole year is Store Night. It is such fun to watch the students make thoughtful purchases. Thank you so much to Ruth Harder, Rick and Janel Lorenz, and Rod and Rita Gartner for all their help on Store Night.

As far as special nights go, we have two in January. On the 12th, children are invited to bring their favorite book to share with their class. Then on the 26th, it's Sweet Kisses/Stuffed Buddy Night. Bring a favorite stuffed animal to sit in class with you! Remember that students earn AWANA bucks for participating.

Happy New Year! May Christ be with us as we navigate another trip around the sun.

A prayer for our missionaries as we start 2022.

“Dear Heavenly Father,

You never grow tired or weary! You never change; You are the same yesterday, today, and forever! We bring our missionaries to Your throne and ask you to strengthen and empower each one to accomplish the good deeds You have ordained for them. May they walk so closely with You that they hear Your voice say, “This is the way, walk in it.”

Fill them with Your love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Meet their heart needs and draw them a step closer to Yourself in this coming new year.

In Your precious name, Jesus, we pray.”

A huge Thank You to everyone who showed up to help remove the two large trees from the front of the church, and trim the trees on the south side. Many hands do make light work.

Thank you! Thank You! THANK YOU!
What a blessing you are to all of us. Thank you so much for your encouragement and very, very generous Christmas gift. You have always been so good to us, and it is a privilege to walk with you through our journey toward Christlikeness.

Study 1 & 2 Kings to learn how to truly trust in the goodness and faithfulness of God.

When hard times come and it seems God is deviating from the plan we assume our life should follow, we're more likely to want to tame God, not trust Him. It's then that we begin to press into our ways and our own timing. No human can carry the weight of being their own god, but so many of us try.

In this 6-session study of 1 & 2 Kings, join Lysa Terkeurst in Israel as she honestly reveals the places of distrust in her own heart while exploring the deeply applicable Scriptures that will teach us how to truly trust God.
