Vacation Bible School

School is out! The sun is shining! The pool is opening! All those signs point to one thing....
IT'S SUMMER!

We hope your summer vacation is off to a great start. One thing I hope you're not taking a vacation from this summer is reading your Bible. It doesn't have to take long, just a few minutes a day. You could read a chapter of Proverbs a day or you could follow the Bible Recap to read the New Testament in 3 months. Ask your family or a friend to join you, it's fun to have someone to talk to about what you're reading.

We miss all of you and hope to see you at VBS June 4th-8th!

~ Cami Ballagh

Please be praying for the week!

- For God to be greatly magnified
- For the gospel to go out with power
- Preparations—wisdom, creativity, strength, endurance, good use of time; physical, emotional, and spiritual protection.
- Volunteers—will be good ambassadors for Christ and will form strong relationships with the kids
- Kids—for unsaved children to accept Christ and saved children to be strengthened in their faith

Finally, be strong in the Lord and in the strength of his might.

Ephesians 6:10

Thanks to everyone who came to the mission conference and for those who helped out with the potluck! It was encouraging to meet local missionaries and hear stories that sound so similar to the needs in our own communities. At the Q&A after lunch, it was interesting to hear their two perspectives on discipleship. We continue to pray for the Newmans and Samples as their ministries grow and change.

Please also be in prayer for the Kroneman family, who are on a quick furlough across the US this summer, and for the Fink family, who will be visiting us soon.

We continue to pray for all our missionaries and for the gospel of our Lord Jesus Christ to reach the hearts of all people in every nation. —The Missions Committee

We have had a few more coffee spills recently. Please make sure you are using lids on your coffee cups, keep an eye on your kids getting coffee, and let someone know when there is a spill. With the chairs down all summer it is harder to see the stains and they are easier to clean up the sooner we know about them. ~THANK YOU!!~
